SMR RESEARCH CORPORATION

SMR is a business research firm that studies consumer loan markets and lenders. SMR is the nation's largest publisher of research on consumer finance and also provides consulting and predictive scoring services.

Clients for SMR studies and databases have included executives at a majority of the nation's largest banks, thrifts, mortgage companies, life insurers, finance companies, nonbank financial companies, and retailers. More than 4,000 executives at more than 800 companies have been clients.

Founded in 1984, SMR conducts primary qualitative interviewing, plus statistical research and predictive modeling. Our target audience is senior operations management. By publishing our work, we provide at a small cost the kind of top-level studies and data products that otherwise would require six-figure spending on consultants or modeling firms.

Stuart A. Feldstein is president and founder of SMR. Mr. Feldstein has been the senior author or editor of SMR studies since 1985.

Stephanie Rady, director of data products and services, produced many databases used in this study. **Jonathan Varone** is director of modeling and technology. **Marie Sheard** handled marketing.

Network Electronic Version Of The Study

Clients for this study receive the full study in printed form, plus a spreadsheet version of the local metro market data.

SMR also offers a Network Version of [The Booming FHA Loan Market](#).

The Network Version provides the full study as a Microsoft Word file. Clients who purchase the Network Version have the right to post the Word file as well as the local markets spreadsheet to their internal computer networks.

With the Network Version, all of your employees can use the research, search for key words, or print out desired sections. We can email the Network Version directly to you – same day service.

The Network Version costs \$500 more than the printed version alone. The only usage limitation is that, under copyright law, you must retain the electronic files within your firm.
