SMR RESEARCH CORPORATION

SMR is a business research firm that studies consumer loan markets and lenders. SMR is the nation's largest publisher of research on consumer finance and also provides consulting and predictive scoring services.

Clients for SMR studies and databases have included executives at a majority of the nation's largest banks, thrifts, mortgage companies, life insurers, finance companies, nonbank financial companies, and retailers. More than 4,000 executives at more than 800 companies have been clients.

Founded in 1984, SMR conducts primary qualitative interviewing, plus statistical research and predictive modeling. Our target audience is senior operations management. By publishing our work, we provide at a small cost the kind of top-level studies and data products that otherwise would require six-figure spending on consultants.

Stuart A. Feldstein is president and founder of SMR. Mr. Feldstein has been the senior author or editor of SMR studies since 1985.

Stephanie Rady, director of data products and services, produced many databases used in this study. **Jonathan Varone** is director of modeling and technology. **Marie Sheard** aided in marketing.

We thank the many mortgage industry executives whose cooperation aided in completion of this work.

Network Version Of The Studies

SMR offers an electronic version of **Giants of the Mortgage Industry, 2010**, and also of the optional companion study, **Best & Worst FHA Loan Markets**. Both are delivered as Microsoft Word or Adobe Acrobat files.

Our Network program grants you copyright permission to put the electronic files (and the Volume 2 spreadsheet) on your company's internal computer networks so that all employees can use the research, search for key words, or print out desired sections.

We email the electronic version to you immediately – same day service. We also ship you the printed versions of the studies.

The Network version of Giants is \$500 more than the printed version alone. The Network version of Volume 2 is **\$400** more than the print version alone. The only usage limitations are that, under copyright law, you must retain the electronic files within your firm.
