SMR RESEARCH CORPORATION

SMR is a business research firm that studies consumer loan markets and lenders. SMR is the nation's largest publisher of research on consumer finance and also provides consulting and predictive scoring services.

Clients for SMR studies and databases have included executives at a majority of the nation's largest banks, thrifts, mortgage companies, life insurers, finance companies, nonbank financial companies, and retailers. More than 4,000 executives at more than 800 companies have been clients.

Founded in 1984, SMR conducts primary qualitative interviewing, plus statistical research and predictive modeling. Our target audience is senior operations management. By publishing our work, we provide at a small cost the kind of top-level studies and data products that otherwise would require six-figure spending on consultants or modeling firms.

Stuart A. Feldstein is president and founder of SMR. Mr. Feldstein has been the senior author or editor of SMR studies since 1985. **George R. Yacik** is vice president for publishing.

Stephanie Rady is director of data products and services. **Jonathan Varone**, director of modeling and technology, aided in creating the Consumer Credit Risk databases and spreadsheets.

Marie Sheard aided in marketing, assisted by **Tiffany Perillo**.
